Stephanie:
I will call you at 11 on Monday.

We had a good meeting with Commissioner DiMaggio on Thursday; Ron Kistner (Bergen Co.) could not attend.

For Tuesday -

1. Is an EPA attorney attending?
2. Do you want to meet at K&L between 12 and 1 PM?
3. We have drafted some responses to the Twp's Jan 4 letter.

I have to go back and work on my drywall project....

Have a good weekend..

Rob

How about 11:00? If not, pick another time. I'm free all day right now, but need to schedule something else too.

I have something that morning, but could probably move it if necessary. Are you available by phone on the 14th?

Why don't we pre-meet AM on the 15th at K&L?

FYI -- looks like we're on for the 15th. Sarah already forwarded this to Bill Hyatt.

I'm available anytime on the 14th for a pre-meeting with Ray. Let me know what works for you.

Thanks

Sarah:

Further to our conversation yesterday, this will confirm a meeting to discuss the CPG's 90% Design Proposal for the RM 10.9 Removal Action on Tuesday, January 15, 2013 at 2:00 p.m. at our firm's Lyndhurst offices. I assume that EPA will arrange for the attendance of the CPG's representatives.

Please contact me if there is anything we need to discuss in advance of the meeting.

John,

I'm following up on my email to you on December 9, 2012, in which I suggested that EPA, the Cooperating Parties Group (CPG) and the Township of Lyndhurst meet in early January 2013. I expect your client has had an opportunity to review the CPG's 90 percent design report for the Passaic River RM 10.9 removal and may have questions or comments. Also, as you may know, on January 17, 2013, the Passaic River Community Advisory Group meeting is being held in Lyndhurst.

EPA and CPG representatives are available on January 14 and 15. Could you please check with your client and advise if either of those days will work for you? Of the two, we prefer January 15, for what its worth.

I look forward to hearing from you.

-Sarah
